

Mathematics 111
Calculus with Analytic Geometry I
Syllabus

Instructor: Dr. *Kenneth S. Berenhaut*

Office: Manchester 331

Phone: 336-758-5922

Email: berenhks@wfu.edu

<http://www.math.wfu.edu/Faculty/berenhaut.html>

Text: *Single Variable Calculus*, Fifth Edition

ISBN#: 053439339X

Brooks/Cole Publishing Company,

James Stewart

Classes: MTWF 3:00--3:50

Topics: We plan to cover much of Chapters 2 through 5 from the text.

Homework policy: Homework will be assigned fairly frequently (approximately 6-7 assignments for the course). You may work together and ask questions of me, but you should write solutions up yourself. Under no circumstances may you obtain assistance from others who are not in the class.

Grading (rough estimates):

Homework: 30% - 40%

Final Exam: 30% - 40%

In class tests: 30% - 40 %
