Text: *Algebra* by Michael Artin. We will cover most sections of chapters 2, 5, 6 and 10; we may also cover a few sections of the intermediate chapters.

There will be a midterm exam (counting 100 points) and a final exam (counting 200 points). The final exam will be at **2:00 pm on Monday, December 10, 2007**. Part of each exam may be take-home. In addition there will be periodic graded problem sets counting at most a total of 100 points. Grades will be based on total points for the semester. *Make up tests will not be given.*
